SEYMOUR READY TO OBSERVE HOLIDAY

Yuletide Spirit is Evident and a Happy Christmas Throughout City is Promised.

MANY FAMILIES REMEMBERED

Local Stores Crowded with Customers Who are Completing their Holiday Shopping.

Seymour is in readiness for Christmas day and from all appearances the Yuletide spirit is manifest throughout the city. Monday will be a holiday with all of the local factories and many of the stores. Some of the merchants have announced that their stores will not be open during the day while others will suspend business during the afternoon and evening.

The vacation will be enthusiastically greeted by the clerks in the local stores who have had a strenuous week looking after the wants of the hundreds of customers each day. The local Christmas business has been very satisfactory to the merchants and while the extent of the business will not be known until later most of them are confident that their sales will exceed the business of all former holiday weeks. Today has been a busy day with the merchants and the streets and stores have been thronged with shoppers, laden with bundles and packages.

The annual distribution of Christmas baskets to unfortunate families was made today under the auspices of the City Charity Association, the Presbyterian Sunday School, the city

MANY BIRDS UNABLE TO FIND FEED ON ACCOUNT OF SNOW

Audubon Society Urges That Steps be Taken to Prevent Birds From Starving.

Hundreds of birds are starving to death in Indiana, because they are unable to find sufficient feed while the ground is covered with snow, according to the Audubon Society. Mrs. Gertrude Whitmer, is the local representative of the Society, and suggests that grain and other feed be scattered where it can be found by the birds. Each year many die during the time that the ground is blanketed with a deep snow. The suggestion can also be carried into the rural districts to save quail from starving. A number of residents are scattering feed where it can be found by the birds. Others have cleared away a space in the snow and have put the grain there. The birds are quick to find out where they can find feed.

SPECIAL DINNER TO BE SERVED AT POOR FARM

Superintendent Cross will Prepare Big Feast for Inmates on Christmas Day.

Superintendent and Mrs. J. B. Cross are preparing to serve the annual Christmas dinner at the county poor farm Monday. The inmates look forward to the dinner on both Thanksgiving and Christmas with much pleasure. The menu for the Christmas dinner will contain many dishes that cannot ordinarily be served there. A simple gift will also be presented to each inmate. If there are any prisoners at the county jail on Christmas Day they will also feast at a special dinner.

INSURANCE POLICIES AS CHRISTMAS GIFTS

Irwin Company Carries Insurance on Lives of Men Employed in Starch Works.

One hundred and twenty-three employees of the Edinburg Starch Refining Company, an Irwin corporation, were today presented with life insurance policies by the company as Christmas gifts. The policies range in amounts from \$500 to \$1,000 depending upon the length of service and the number of dependents upon each man. The company will pay the annual premiums on policies as long as the men remain in its employ.

Christmas Holiday.

The Daily Republican will observe the entire day instead of a half day holiday on Christmas, this year. No paper will be issued Monday. Any notices intended for that issue should be inserted in Saturday's issue.

We take this occasion to express our appreciation of the continued good will which has been expressed so often by Seymour people toward the Republican, and to wish for all a joyous Christmas season and a New Year filled with good cheer.

JOHN OATHOUT, NINETY-TWO DEAD AFTER LONG ILLNESS

One of the Oldest Men in the County Passes Away at Home in Hamilton Township.

John Oathout, aged ninety-two years, one of the oldest men in Jackson county, died about 2:30 o'clock Friday afternoon at his home two miles south of Surprise, following a long illness with infirmities of old age which developed into dropsy. His condition had been critical for the last two or three weeks.

Mr. Oathout was born in Ripley county March 7, 1824. He was successfully engaged in agricultural pursuits during his life. In 1888 he moved his family to Hamilton township and lived in that vicinity until his death. His wife died several years ago. He was the father of ten children, three of whom are living. They are: Mrs. Lydia Anderson, of Hamilton township; Mrs. Clara Weliver, of Reddington, and Morton Oathout, of Hamilton township. He also leaves seventeen grandchildren and twenty-six great-grandchildren. The funeral will be conducted at 10 o'clock Sunday morning from the Methodist church at Surprise by the pastor, the Rev. John Anderson. Burial at the Acme cemetery.

Mr. Oathout had a wide acquaintance in Hamilton township and was admired for his sterling qualities of uprightness and integrity. He was recognized as one of the most aggressive farmers in the vicinity in which he lived and was always interested in any movement that was intended to improve the community.

DEATH SUMMONS COMES TO HAMILTON TOWNSHIP WOMAN

Mrs. James Lucas, Aged Fifty-one, Dies of Kidney Trouble—Funeral Sunday Morning.

Mrs. James Lucas, a well known woman of Hamilton township, died at 1:30 o'clock Friday afternoon, after an illness of about ten weeks with kidney trouble. She was born in Brown county fifty-one years ago last March and was the daughter of Mr. and Mrs. William Henderson, both deceased. She had lived in the Surprise vicinity for many years and had many close friends there who knew her as a kind neighbor always ready to assist in times of need. She is survived by her husband, four brothers and three sisters. The funeral will be conducted Sunday morning at 10 o'clock from the Christian church at Surprise, conducted by the Rev. Mr. Buchanan. Burial at the Acme cemetery.

ENGINEER FILES SUIT FOR DAMAGES

Harvey L. Wilson, formerly of This City, Seeks to Recover \$25,000 from the B. & O. Company.

ALLEGES ENGINE FLUE BURST

Complaint Filed in Clark Circuit Court Says that Accident Occurred Ten Miles West of Here.

Harvey L. Wilson, formerly employed as an engineer on the Indiana division of the Baltimore & Ohio Southwestern Railroad, has filed suit in the Clark circuit court against the company for \$25,000 damages for alleged injuries which he alleges he sustained on January 11, 1915, ten miles west of this city when the engine flue burst throwing cinders, ashes and steam upon him. Wilson formerly lived in this city but for more than a year has resided at Jeffersonville. Because of his residence there the suit was filed in the Clark circuit court.

The complaints in two paragraphs, alleging carelessness on the part of the defendant in operating defective machinery. In connection with the complaint there are twenty interrogatories for the plaintiff to answer.

Wilson sets forth that his run was between Seymour and Washington, and when he went out on one of his trips he was given a locomotive that had an old and worn steam flue, which, it is set forth, the defendant knew, but carelessly and negligently failed to repair.

When ten miles west of Seymour the complaint recites, the flue burst, the result being that cinders, ashes and steam were thrown into the plaintiff's face and eyes. He also, it is claimed was scalded on parts of his body. His eyes were injured, the plaintiff alleges, and he lost \$1,000 in wages and spent considerable money for treatment by a physician.

Wilson asserts he permanently has been disabled to such an extent he cannot follow his usual occupation and has been rendered less able to secure employment so that he can earn a living for himself and family.

TRAINS DELAYED

Eastbound B. & O. Trains Held Up at St. Louis Terminals.

Practically all the through trains were late in arriving here today, some of the morning trains scheduled to arrive late this afternoon. Eastbound B. & O. S-W. trains were held up at the St. Louis terminals and have been delayed since leaving there by the heavy mail business. No. 4 due at 9 a. m. had not arrived late this afternoon. Trains on the Pennsylvania Lines were also delayed. It is said that the snow and cold weather in the west and north was responsible in part for the delays.

Marriage Licenses.

Marriage licenses were issued today to:

Clarence Payne, of Indianapolis, and Letha Burcham, of Brownstown township.

Marshall Singer and Letha Thompson, of Driftwood township.

Price Trueblood, of Brownstown, and Florence Roberts, of Hamilton township. They were married at the Brownstown Baptist church this afternoon by the pastor, the Rev. I. N. Ferris.

Ruth Cox Dead.

Ruth Cox, the twelve-year-old daughter of Mr. and Mrs. Oscar Cox, who lives two miles northeast of the city, died this morning after a short illness with diphtheria. The funeral will be private. Burial will take place at 10 o'clock Sunday morning at the Chestnut Ridge cemetery.

LOCAL TEAM WINS AT CROTHERSVILLE

Capt. McCurdy's High School Quintet Takes the Holiday Game by a Score of 36 to 12.

GOLD KNIFE FOR HENDERSHOT

Coach of Local Five Presented with Handsome Present by the Members of Team.

The Shields high school basketball quintet increased its winning average Friday night when it defeated the Crothersville team by a score of 36 to 12. At no time during the game was the local team in danger of defeat and the boys say that the score would doubtless have been bigger had it not been for the limited size of the floor. The playing space at Crothersville is much smaller than the local floor and the boys were unable to adjust themselves to the strange condition. The Crothersville team, however, put up a strong, clean game and the players showed plenty of "pep" although when the score was against them. The Crothersville school has an excellent team for a school of that size and has made a splendid showing this year.

The first half of the Crothersville game closed with the score standing Seymour 18; Crothersville 9. In the last half the local boys maintained the speed of the first half and doubled their score while the Crothersville lads were able to hit the basket but one time from the floor and a single time in a foul throw.

BASKETBALL GAME THURSDAY

Lutheran Club Team Will Meet Scottsburg Five Here.

The basket ball season for the German Lutheran Club will open next Thursday night when a game has been scheduled with an independent team from Scottsburg. The first game will be played on the big floor at the Lutheran Club house and an exciting contest is predicted as the visiting team is said to be quite speedy. Arch Breitfield is captain of the Lutheran team. Coach Hendershot of the high school team has been engaged to coach the Lutheran team.

LUTHERAN BOWLERS WIN

German Pin Artists Have Margin of 136 Pins in Second Contest.

In a match contest in which none of the bowlers showed exceptional form, the Lutheran Club team last night defeated the Independents of the Seymour Alleys, by a score of 2,353 to 2,217, on the Lutheran Club alleys. The total scores for the three games were as follows:

Independents: Jennings, 462; Cordes, 457; Green, 468; Burrell, 418; Davis, 412.

Lutherans: Brandt, 501; Wilde, 490; Ahlbrand, 432; Holtman, 475; Droege, 455.

A third contest between the two teams will be rolled at the Seymour alleys next Friday evening.

Henry Holtman won the turkey offered for the best score at the Lutheran Club before Christmas, when he finished twenty pins ahead of Walter Droege. The two had been tied with a score of 224, and the total pins in last night's games were to decide the winner.

Married at Brownstown.

John Wilcox, of Indianapolis, and Miss Eunice Bickley, of Freetown, were married at 12:30 o'clock this afternoon at the office of the county clerk, the Rev. Mr. Hammond, of Freetown, officiating. The immediate relatives of the young couple witnessed the ceremony. The bride is the daughter of Mr. and Mrs. Jacob Bickley, of Freetown, and the groom is the son of Mr. and Mrs. Carl Wilcox, also of Salt Creek township. Mr. Wilcox is employed in an automobile accessory factory at Indianapolis and immediately after the wedding Mr. and Mrs. Wilcox left for that city for future residence.

WHITE GIFTS SERVICE BY FIRST PRESBYTERIAN S. S.

Enjoyable Program Presented to Large Audience—Christmas Pageant Feature of Evening.

The Christmas entertainment of the Presbyterian Sunday School was given in the church auditorium last evening and was enjoyed by a crowd that completely filled the church.

A "White Christmas" program was carried out, and the church was beautifully decorated in white, with Christmas greenery in the form of numerous holly wreaths and two miniature Christmas trees.

The principal feature of the evening's program was a pageant "White Gifts for the King," given by the young ladies of Mrs. W. P. Masters' and Mrs. Clem Roegge's classes. The pageant told the story of the pilgrim who was anxious to make a suitable gift to the King. In turn pleasure, pride, wealth, greed, vanity, idleness, fame, envy and ambition present their claims to the pilgrim. She listens to each, and several times is tempted, but always the voice of conscience and wisdom is heard speaking in her ear and she refuses their offers and at last finds the one gift worth while—the gift wholly acceptable to the king—the gift of love. The members of the cast were beautifully costumed and the symbolic characters were excellently portrayed, and the special lighting arrangements added much to the effect. During the intermission the choir sang "Silent Night, Holy Night," and other Christmas carols. The pageant was in charge of Mrs. Masters and Mrs. Earl Cox, and proved a most enjoyable feature.

A prelude to the pageant, entitled, "Little Joy Makers," was presented by the primary department, the members of which also appeared in several other numbers. Following the pageant the various classes each presented their offerings, accompanying the presentation with appropriate exercises. A goodly amount of provisions was collected, and was distributed this morning under the auspices of the charity organization. At the conclusion of the program a social hour was enjoyed in the Sunday School rooms, during which refreshments were served.

U. S. MAY HAVE TO ENTER "ENTANGLING ALLIANCE"

This Country Would be Linked With Pan-American Powers, Lansing Says.

By United Press. Washington, December 23—The United States may have to enter what has previously been regarded as an "entangling alliance," if present peace negotiations go down to the point of international enforcement of peace guarantees. The state department announced this officially today. Secretary Lansing held it would be somewhat premature to discuss such problems at this time, but indicated the government had considered possible necessity of an alliance if any binding peace agreement is reached.

It was held that the United States would naturally link itself with the Pan-American nations at the same time probably joining with certain European nations in an agreement.

Complaint Dismissed.

L. C. Griffiths, president of the Seymour Mutual Telephone Company, has received word from the Public Service Commission of Indiana that complaints filed against the company in April, 1914, by patrons, charging inadequacy of service and the manner of payment of same, have been dismissed. The statement says that the matter was taken up by correspondence with the company, that they have made the necessary corrections in matters complained of, and that the service is entirely satisfactory. The complaints alleged discrimination in the matter of disconnecting phones for non-payment of monthly rent.

ENGLISH PRESS TAKES NEW VIEW

Outburst of Indignation Over Wilson's Note Develops Into Speculation.

NEW OPINIONS EXPRESSED

Some Have Idea That the American Executive Has "Something Up His Sleeve."

By United Press. London, December 23—The London press took a new tack today in figuring out why President Wilson sent his peace note.

The first outburst of indignation having died down somewhat, editorials today began speculating on the belief that the American president might have "something up his sleeve." Some have the idea that the note was based on special information which Wilson has obtained as to the exact terms which Germany is willing to make and that the note was not an indication of anti-ally sentiment.

Washington, December 22—Government officials today believed it will be after Christmas before peace answers are framed by the European powers. This was merely an opinion. The state department was without definite information as to when it might expect the allies' answers to the German peace offer and to the President's note. The whole situation today had simmered down to one of speculation.

Berlin, December 23—Keenest interest mixed with jubilation over the reviving prospects of peace was aroused here by news of President Wilson's peace note. The move came at a time when editorial comment reflected the public view that peace was far off in view of Lloyd George's speech before the house of commons.

LANSING WOULD WELCOME WOOD'S INVESTIGATION

Secretary of State Will Guard Against Leaks of Advanced Information in Future.

By United Press. Washington, December 23—Administration men said today that Secretary Lansing would welcome an investigation by which Representative Wood of Indiana proposes to ascertain whether any high government officials or their relatives profited by the Wall Street upset following Lansing's two statements Thursday on the Wilson peace note.

It was stated that exceptional care will be taken hereafter to guard against possible leak of advanced information from Washington that might tend to cause price fluctuation. The information that the note had gone was given in the strictest confidence to newspapermen Wednesday night and shortly afterwards the news was in Wall street.

PARTIAL COMPLIANCE WITH DEMANDS OF SWITCHMEN

Get Increase in Pay of Five Cents an Hour With Grant of an Eight Hour Day.

By United Press. New York, December 23—Partial granting of the demands of the Switchmen's Union of North America for an eight hour day was made in an award filed with the United States district court by the federal arbitration board today. The switchmen demanded a rate of one and one-half pay for overtime against thirteen roads of the east and middle west. The award today for an increase in pay effective from December 23, 1916, to the same date 1917 is for five cents an hour for conductors and helpers and a grant of an eight hour day with pro-rata pay for overtime.

THE SPIRIT OF CHRISTMAS

Through the generosity of the public and the efforts of the City Charity Association and other organizations, the spirit of Christmas has been carried into many homes where the sunshine of happiness was beclouded by sickness or misfortune. Aged people who are kept in their rooms by infirmities, children who could expect nothing from their parents but the barest necessities of life and others who have left the pinch of poverty have all been made happy in a substantial way and by the thought that they were remembered. The Christmas spirit, therefore, is felt throughout the city. It brings joy to those who have been remembered and especially to those who made the remembrance possible.

The spirit of Christmas best mani-

fest itself in unselfish service to humanity. It cannot exist in its fullest measure where greed and cupidity are found. It appeals to the best there is in life and emphasizes the beautiful virtue of charity. Those who are more fortunately situated and have more than food and clothing are aroused to the equality of mankind and feel the responsibility that rests upon them. Those who are remembered know that the principle of "good will towards all men" is a living principle.

The people of this city have done a highly commendable work in connection with the charity campaign. The appeal for funds has been liberally answered. This response has made possible the great work that is going on in our midst. The Charity Association and other organizations which have contributed so liberally their funds and services deserve great credit. Preparations for the distribution of Christmas baskets have been going on for weeks, and those who called at the various homes and investigated conditions best know the true joy and thanksgiving in such homes today. They are aware of the manifold returns that came from each contribution, no matter how small.

Because of the charity work—the service for humanity—which was done here, Christmas day will be a happier day for everyone. The enjoyment in each home will be more complete in the knowledge that no family here is suffering from hunger and that no child is in want of warm clothing. The Christmas spirit—the spirit of good will—reaches out in all directions and radiates the joy and happiness of the season.

That everyone may share in it and have the most complete Christmas Day they have ever enjoyed is the wish of the Daily Republican.

HOLIDAY PLANS

With the coming of Christmas the regular round of club meetings both among social and church societies, gives way to functions of a different nature. Most of the clubs have postponed their regular meeting days until after the first of the new year, when the ordinary routine will be resumed. For the present, however, society concerns itself with family parties, and with the entertaining of the many holidays visitors in the city. A number of affairs are being planned to take place next week in honor of the guests, the most pretentious of which will be the charity ball to be held at the Society hall on Christmas night.

Many clubs held the annual Christmas functions last week. The Tuesday Club will celebrate the holiday next week when the program committee, will be hostesses to the club at the home of Mrs. Oren O. Swails, on North Walnut street. The committee, which is composed of Mrs. Swails, Mrs. Ella Winchester Mott and Mrs. Ethel Conner will be assisted in the entertaining by Mrs. Mayme Cox, Miss Pearl Clark, Dr. Lurah Rader, and Mrs. Minnie Peter.

BOB SLED RIDE.

The first real snow of the season was immediately taken advantage of by a merry party who went on a bob sled ride to Reddington last night. Mr. and Mrs. A. Cordes, Jr., acted as chaperones, and on their return, the entire crowd went to the Palace restaurant for supper.

The members of the party included the Misses Lucille Cordes, of Indianapolis, Hilda Howe, Doris Geile, Marjorie Hagan, Rebecca Dixon, Constance Probst and Helen Barnes; Messrs. Jepson Cadou, Elmer Bollinger, Jr., Herod Stants, Cullen Barnes, Phil Cordes, Lynn Faulkner and Ray Himebaugh.

STORY HOUR

A Christmas story hour was held this morning at the public library with Miss Pearl Clark in charge. Miss Clark related Christmas myths and legends to a group of interested children. The story hour which is held each Saturday morning at 9:30 continually gains in popularity, and a large number of children attend each session.

Nazarene Church.

This has been a week of triumphant victory with our work. All our services have been greatly owned and blessed of God. Our congregations are increasing each week, both in the Sabbath School and the regular preaching services.

The Tuesday night Bible study is a special feature in our work. It is proving to be a real success. We are using for a topic now, "The Christian's Walk." Considerable interest is being taken.

Infidelity and higher criticism is crowding out the true word of God. As christian people we must be awakened. These are perilous times. Men will not endure sound doctrine.

DODGE BROTHERS

MOTOR CAR

An extraordinary number of owners have little or no occasion to call on the dealer for service.

It is becoming clear that with a little care and a trifling expenditure a car built as Dodge Brothers car is built can maintain itself for an indefinite period.

This is not an accidental nor an occasional result.

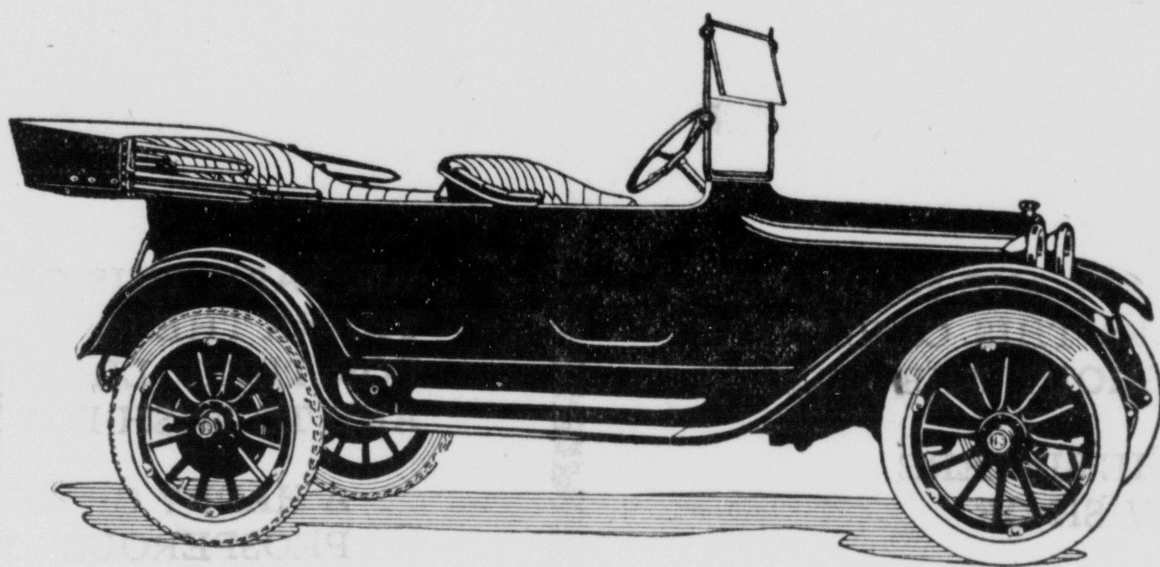

It is the general experience due to the design of the car.

Its light, strong construction was carefully calculated to promote economy as well as capable performance.

It will pay you to visit us and examine this car.

The gasoline consumption is unusually low.
The tire mileage is unusually high.

For Winter Colds

You need a real tonic. Strength is required to overcome the trouble. Let that tonic be one that is specially valuable in catarrhal conditions, and you can conquer the cold. A cold is acute catarrh; it may become chronic. Chronic catarrh frequently becomes systemic, involving the stomach and the intestinal tract as well as the nose or throat. It means stagnation.

LOCAL TEAM WINS

AT CROTHERSVILLE
(Continued from first page)

The game was unusually free of fouls on both sides.

Capt. McCurdy played a hard, consistent game, striking the basket six times in the first half. In the second he made one field goal, but Snow who hit the basket for but one field goal in the first scored five in the second half. Boyles, the speedy forward, found the basket three times in each half. All of the points made by Seymour were on field goals.

Sore Throat or Mouth.

Ellington

Pianos

develop greater beauty of tone with use

WHILE quite the contrary is true of most pianos. We are all familiar with the piano that develops a metallic tone after a few years' use.

You don't want that kind. You want one that your children and grandchildren will enjoy, as well as give you pleasure for a lifetime. The children can't practice away it's marvelous beauty of tone because it is the permanent result of careful planning and construction.

When you own an Ellington Piano, you can be sure that even greater beauty of tone will be revealed with use, than that which first appealed to you.

ELLINGTON PIANOS are also made as Player Pianos. The Ellington Manual, a player piano that is all but human, is indeed a triumph of tone and technique. Be sure to examine it.

schools and the First M. E. Sunday School and Epworth League. More than a hundred baskets filled with provisions, were distributed during the day and others will be delivered early Monday.

The Charity workers divided the city into districts and a superintendent was in charge of the distribution in each district. An effort was made to ascertain just what supplies were most needed by the families reported in need and a personal investigation was conducted. Each basket contained several days' supply of provisions and in homes where there are children candy, nuts, and fruit were included. Many toys were also distributed with the baskets and many little hearts were made glad that they had been remembered. The work was divided so that no family would receive more than one basket and a splendid system of co-operation was followed.

The postoffice and express offices were among the busiest places in the city today. All were piled high with parcels to be delivered and the wagons have been rushed through the streets from early morning. When the offices were opened this morning it appeared that it would be impossible to deliver even half of the packages before night but even before noon the offices were ready for the next trains to arrive.

The mail receipts during the night and early today have been unusually heavy. The incoming mail is expected to be big late today and tonight but Postmaster Sope has announced that the general delivery and city carriers' windows will be open from 9 until 12 o'clock, noon, Sunday and it is believed that hundreds of packages and letters will be delivered at that time. No deliveries will be made by the city carriers Sunday, but patrons may call at the windows for their mail during the hours mentioned.

It is quite apparent that elaborate Christmas dinners will be served in many homes in the city as the grocery stores and other shops that handle food supplies have received many orders during the day. As Christmas day is immediately preceded by a Sunday holiday many residents purchased their Christmas food supplies today so they would be in the house early Monday. The extra demand along with the usual holiday trade fairly swamped the grocery stores and meat markets.

18 YEARS OF
LIVER TROUBLE

Finally Relieved by the Old Reliable Thedford's Black-Draught.

Traverse City, Mich.—Mrs. J. W. Edwards, of this town, says: "I suffered for about 18 years with liver trouble, and doctored with many different remedies.
